Successor Trustee Notes:

07/10/2018: Assets ## 1-97, and ## 99-100 were fully administered by Prior Trustee. The remaining asset (i.e., Asset # 98) was the subject of a Motion to Compromise filed March 29, 2018 [Dkt # 737] and granted May 2, 2018 [Dkt #748] that related to Adversary Proceeding No. 12-01109 against Robert C. Arrowood, Cathy D. Arrowood, and Arrowood Companies, Inc. In Adv. Proc. No. 12-01109, money judgment was entered against Defendants in the amount of \$1,726,392.30. Pursuant to the Motion to Compromise and the resulting Order, the parties agreed to compromise the judgment amount for \$125,000, said payment of \$125,000 to be made by Defendants to the bankruptcy estate on or before July 2, 2018. That settlement amount of \$125,000 has not yet been paid to the bankruptcy estate.

Prior Trustee transferred funds to Successor Trustee in the amount of \$96,947.89, which Successor Trustee has deposited into a new bank account (i.e., First Nat'l Bank of Vinita, Acct No. xxxx-4366). As evidenced by the Form 2 filed by Prior Trustee on June 19, 2018, the Prior Trustee's bank accounts were with Bank of America, Acct No. xxxx-0116; Bank of America, Acct No. xxxx-4261; and First Nat'l Bank of Vinita, xxxx-1033. The funds that Successor Trustee received from Prior Trustee were from First Nat'l Bank of Vinita, xxxx-1033; and as stated above, Successor Trustee opened a new bank account with First Nat'l Bank of Vinita (i.e., Acct No. xxxx-4366), and the funds transferred from Prior Trustee were deposited into this new account.

The remaining activity in this bankruptcy case will be the recovery of the \$125,000 settlement amount and the review of claims filed.

09/12/2018: Order entered employing K. Coffey as attorney for Trustee (dkt ## 758 & 759)

09/20/2018: recovery of \$125,000 compromise amount from Rob Arrowood, et al

12/18/2018: Order entered Granting Trustee's Motion to release non-estate funds to overriding royalty interests (dkt ##762 & 764)

05/12/2019: Final tax returns filed

05/22/2019: Prompt determination received from OTC

06/25/2019: Trustee is preparing fee applications for professionals.

Prior Trustee Notes:

February 23, 2012 (EAM) OPENED MONEY MARKET ACCOUNT & TRANSFERRED ALL FUNDS FROM CHECKING

July 31, 2012 (EAM) CLOSED BOA CHECKING ACCOUNT

March 25, 2013, 01:53 pm

Appeal is pending with Texas Supreme Court. This must be resolved before much more can be done. Hope to hear something from the Supreme Court soon. LWH

October 02, 2013 (EAM) THE COURT OF APPEALS RULED THAT ASSETS #21 THRU #39 WERE NOT PROPERTY OF DEBTOR AT THE TIME OF BANKRUPTCY FILING AND ASSETS #72 THRU #79 ARE CREDITORS - NOT ASSETS.

October 24, 2013, 12:50 pm

The court of appeals reversed the trial court and remanded a limited issue to the trial court for the court to determine the source of certain funds. Carrizo has provided some financial data and our accountant is attempting to review the data to see if it provides the information we need. The accountant hopes to have the review completed in the next 10 days to 2 weeks. We are also working with Atlas Resources in an effort to determine the debtor's interests in the Denton County wells it purchased from Carrizo.

March 25, 2014, 02:57 pm

We continue to work on resolving the remand of the Texas law suit. Carrizo has provided financial information and we have approached Carrizo about settling the matter. If they will not agree to a settlement we are going to file a motion for summary judgment.

The bankruptcy estate owes some real property taxes, penalty and interest on some of the working interests in Tarrant and Denton counties. The total amount due is less than \$100.00 and the AUST approved payment of the taxes. Tarrant county was paid \$33.26 and Denton county was paid \$45.70.

I have also issued a subpoena to ARP Barnett (Atlas Resources) to obtain production and financial information regarding the Denton county wells. Once this information is received and we are able to settle or prevail in the Texas remand it is my intention to sell the estate's interests in the Denton county wells as well as other interests the estate has. LWH

January 16, 2015, 12:03 pm

The Texas trial court entered an amended final judgment on about 12-15-14 granting the Debtor judgment against Carrizo in an amount of about \$1,000,000. Carrizo paid the bankruptcy estate the sum of \$466,924.40 alleging it has the right to setoff or recoup the remaining sum due under the judgment. That will need to be litigated in bankruptcy

court. The estate has an adversary proceeding to attempt to recover alleged fraudulent transfer which should be set for scheduling conference soon. In addition there is a law suit pending in Ft. Worth we may need to resolve. LWH

Exhibit 8

Estate obtained a \$1,700,000 judgment against Arrowood Companies, Rob Arrowood and his wife. We will try to collect.

December 27, 2016 (EAM) Asset #93 and Asset #94 have been voided. Not Assets - just refunds of overpayments of real property taxes. Sales amount has been removed.

Estate has ownership in various mineral leases and wells located in or near Denton County, Texas. The Debtor's schedules listed the value of these interestst at very high numbers that the trustee does not believe can be obtained at this time. In 2016 the Trustee attempted to sell these interests, however two parties objected. Tha bankruptcy court approved the sale but the objecting parties appealed. The appeal is still pending but the Trustee has filed a motion to dismiss the appeal since the appealants have not pursued the appeal. The Trustee hopes to file another motion to sellll thie mineral interests.

The bankruptcy estate has obtained a joint and several judgment against Arrowood Companies, Rob Arrowood and Cathy Arrowood, all insiders to the Debtor, in an amount in excess of \$1,700,000, however the defendants have appealed that judgment to the BAP. The time for the bankruptcy estate to respond to the appeal has not asrrived but we willl oppose the appeal. We will also commence collection proceedings against the defendants until a stay is imposed.

Arrowood Companies and another group of creditors filed a motion to dismiss this case but withdrew the motion. The Trustee understands that another motion to dismiss may be filed and the Trustee will oppose any such motion.

January 05, 2017, 03:04 pm The US District Court dismissed the appeal of the motion to sell the mineral interests. Trustee is working on attempting to liquidate the Denton County wells. DR Payne is trying to obtain additional informatoin and is going to assist in liquidating the Denton County wells.

The Debtor may have an interest in the UTA "B" Unit located in Denton/Tarrant Counties Texas. The wells were sold by Carrizo to EnerVest or entities in which EnerVest is involved in and it is believed EnerVest is operating the wells. A letter has been sent to them to see if they can provide information about these interests.

February 08, 2017, 11:51 am creditor group has filed second motion to dismiss case and trustee is opposinig - this matter set for hearing in early March. Need to contact EnerVest again about UTA"B" interests. Insiders have appealed fraudulent transfer judgment to the BAP and they got extension until early March, 2017 to file brief.

March 14, 2017, 11:55 am The creditor group withdrew the motion to dismiss for the second time and the court set the withdrawal for hearing at which time the court chastized the attorney and stated another motion to dismiss could not be filed. The Arrowood defendants requested another extension to file appeal brief to about April 6. We are working on liquidating the mineral interests.

March 15, 2017, 11:45 am second motion to sell minerals free and clear filed today. Hope to sell on May 16 in Dakil auction. HOA of Arrowood defendants continued to 4-11.

April 13, 2017, 10:29 am Rapp group filed an objection to the sale but yesterday the judge filed an order striking the motion and objection as moot. We plan to go forward with the sale. Also, we conducted a hearing on assets of Rob and Kathy Arrowood and Arrowood Company and may have identified assets.

May 25, 2017, 10:02 am a public auction to sell some overriding royalty interests was conducted May 16, 2017 at Dakil Auctioneer. Richard Machina attended on behalf of the Rapp Group and submitted credit bids on 4 of the five interests on which the Rapp Group had a total lien of \$130,000. The total amount of the credit bids, including the buyer's premium of 10%, was slightly over the amount of the lien. Machina also bid on one unit in which the Rapp Group did not have a lien and he refused to pay for that interest. Two other units sold to other cash buyers. We have tried to contact the Rapp Group's attorney, Ostram, to see how the Rapp Group wants to take title, but as of today we hiaive not been able to speak to them.

Rob Arrowood and David Sisson came to the office following a hearing on assets conducted on about May 3. They are to have tax returns prepared and provide us copies. The time for them to file the appealant brief has been extended again until the middle of June, 2017. A progress report is due the BAP? on about June 2, 2017.

June 30, 2017, 01:13 pm Never received reply from Rapp Group on assignment of ORRI interests so we prepared an assignment, recorded it and sent it to D. Rapp and Ostram.

Yesterday conducted continued HOA, but Arrowood did not produce documents. The have until middle of July to produce financial documents. If they do not we will ask court to find them in contempt.

September 29, 2017, 11:26 am about 2 weeks ago we met with Sisson and Arrowood re the continued hoa. He has changed accountants and is to have tax returns filed by 9-15-17 and is to reappear for the contiuned hoa on about 10-4-17.

We also have decided to auction on 11-4-17 the remaining working interests and the Sycamore Bend 1H ORRI that Machina refused to pay for although he was the successful bidder. We also filed a motion to compromise the two state court lawsuits against Carrizo for \$2000. Ostrom called and objected stating he met with people in Ft. Worth about the lawsuits and would share that information with us. Also, the Rapp group has allegedly made a tentative offer of \$6000 to buy the suits. After talking with Rapp we decided to

withdraw the compromise motion.

November 16, 2017, 09:46 am auction of remaining mineral interests was conducted 11-4-17 by Dakil. All sold.

Continued efforts to settle judgment against Arrowood defendants. Defendants dismissed the appeal with prejudice. Still working on settlement regarding the Arrowood judgment.

David Rapp and Richard Machina offered \$6000 to purchase the 2 lawsuits pending in Tarrant County, Texas against Carrizo. They wired money and we sent agreement and escrow instructions about 11-3-17 but they have not signed and returned. If we don't get the agreements we will consider returning money since we do not have a firm agreement with the parties. The sale would be subject to bankruptcy court approval.

February 26, 2018, 03:50 pm The sale of the lawsuits to the Rapp group was denied and the sale of the lawsuits was rescheduled for an auction to be conducted on 2-15-18 at 10:30 with a hearing to confirm the sale at 11. Carrizo and R. Machina appeared and Carrizo submitted the winning bid of \$28,000. The funds were received by the bankruptcy estate on 2-26-18.

Efforts to collect the Arrowood judgment continue.

May 10, 2018, 11:11 am estate and Arrowood defendants agreed to compromise judgment by Mr. & Mrs. Arrowood paying the estate \$125,000. A motion to compromise was filed and the court approved it. Defendants have until about of July to make the payment.
